Dear Paula,

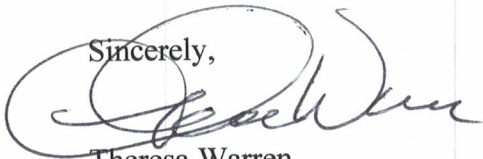

Please accept this as our report to you for the 2021 grant funding we received by your organization. We received \$1,500.00 in 2021 to help cover the costs of our 24-hour crisis phone lines. This is a vital part of our program in that it is the entry point for more than 95% of our clients. It is also how law enforcement and the hospitals reach us in a domestic violence or sexual assault emergency. Our cost in 2021 was approximately \$10,900. This program was funded by your organization of \$1,500.00, Navajo Nation funded \$4,400, APS funded \$3,000, Governor's Office funded \$1,800 and the balance of \$200 was covered with general income.

In 2021 we received 425 crisis calls (9,285 minutes). In addition to our 24-hour crisis hotline, we provided 2,800 shelter bed nights, case management, lay legal advocacy, adult support groups with domestic violence education, children's support groups, educational programs, workplace and financial management workshops, community outreach and awareness, and teen dating abuse programs. In 2021 we served 147 individuals in our program. Of these clients, 44% were Native American, 29% Caucasian, 18% Hispanic, 8% African American, and 1% Asian.

Please be assured that Alice's Place is dedicated to helping victims of domestic violence and sexual assault 24 hours a day, 365 days a year. Thanks to your organization, we were able to be here for them.

We wish you all the best for a joyous, prosperous, and healthy New Year!

Sincerely,

Theresa Warren  
Executive Director
