Re: Grant Report

AZ Reach is extremely grateful to have been an AZWP Grant Recipient in the amount of \$2,000.00. These funds were essential in sustaining our program in 2023, allowing AZ Reach to serve our under resourced community.

Summary of Success:

- We've served over 200 students by providing:
 - Hygiene Products
 - Feminine Care
 - Clothes
 - Shoes
- Students were able to earn Community Service Hours by helping in Cesar's Closet, hours totaled 120.
- We were able to cover light snacks for students during their lunch hour.

We are so thankful for this grant that allowed us to purchase and distribute clothes, shoes and hygiene products to at-risk youth. Thank you for the support in 2023.

Thank you,

Juan Chavez
President
